## BASIC INFORMATION

Be sure to read the rules of the Department and or Division you are entering, as well as the General Rules.

## RULES AND REGULATIONS

### ENTRIES

1. Competition is open to Weber County residents only, unless otherwise stipulated in department rules.
2. Competition at the Weber County Fair is governed by rules in each department.
3. Entry blanks, completed and properly filled in, must be submitted in all departments on or before the deadline specified. Mail to Weber County Fair, 1000 North 1200 West, Ogden, Utah 84404. Exhibits will not be accepted if entry blanks have not been postmarked by deadline.
4. All entries must be made upon entry blanks furnished by the Weber County Fair and by the rules listed in each department. The entry fee is to accompany each entry blank. No refunds will be given on entry fees.
5. Unless otherwise provided, animals or articles can be entered only by their owner or producer. Any attempt to perpetrate a fraud by misrepresentation will bar the specimen from competing for any premium. Department Superintendents may remove from the grounds any exhibit that is falsely entered or which may be deemed unsuitable or objectionable.
6. Any article eligible to enter, not enumerated in the premium list, will be entered in its appropriate class but no premium shall be awarded, unless by special action of the Board.
7. If it is necessary for an exhibitor to send an exhibit by freight or express, it must be sent prepaid and no signature required, to the Weber County Fair, 1000 North 1200 West, Ogden, UT 84404.

### PREMIUMS

All prizes will be awarded at the earliest possible time after judging. Premium cash will be distributed during the Fair Wednesday through Saturday 11:00 am - 11:00 pm at the premium bank located in the Northwest corner of the Golden Spike Arena. Premium money may be collected from 9:00 am - 5:00 pm, Monday - Friday after the Fair until August 31, 2005. **Money not collected by August 31, 2005 will be forfeited. NO EXCEPTIONS!** Picture i.d. of exhibitor is required. If picture i.d. is not available, the exhibitor's guardian will be required to collect premium money.

### JUDGING

1. No judge will be allowed to exhibit in the department in which he/she is acting as a judge.
2. A judge should not be allowed to judge exhibits entered by a member of his or her immediate family. The judge should notify the Department Superintendent prior to judging if this situation occurs.
3. Judges must avoid contact with the exhibitors and will refuse to hear the merits or demerits of exhibits by anyone. They must, if an attempt be made by an exhibitor to interfere or influence their decision, report the fact at once to the Department Superintendent.

4. The regular premium offered by the Fair cannot be changed by any judge or superintendent, and no extra premiums can be awarded except by the Board. In the event that there is no competition in class or category (two entries made by the same person do not constitute competition), the judge shall determine what classification would be appropriate for the entry in the face of the competition, prize money to be awarded, and ribbon to be awarded. In no event will two entries by the same owner, producer, or same herd constitute competition, if these are all the items in the class for which cash premiums are offered.
5. Judges must not award prizes to an unworthy exhibit. It is the intention of the management that no premium or distinction of any kind shall be given to any animal or article that is not deserving. This rule must be strictly adhered to whether or not there is competition.
6. The judges and persons acting as clerks to the judges must use special care, after the award has been made, to see that the name is properly entered in the record book and on the premium voucher, for it is upon this entry that the payment of premium is made.
7. The judge, superintendent or clerk, recording the awards of the department, must sign the record book and premium voucher at the close of each class immediately after all awards in said class have been made.
8. The entry clerks shall under no circumstances allow the award records to go from their possession, or to be inspected by anyone, except authorized officers until entries of the judges' decisions have been made, the records audited and closed.
9. The judge should read carefully the general rules and all special rules under the heading of the department or class in which they are to serve; and especially note and mark those rules bearing on the classes to be adjudicated by them. Ignorance of rules is inexcusable with a judge.
10. Objection to any person serving as judge must be made to the Fair Manager in writing prior to any award made, giving good and sufficient reason thereof.
11. If a protest or grievance is made, it should be made in writing to the Fair Manager along with a \$50.00 cash deposit. It will then be taken to the Board for a ruling. If the protest or grievance is not sustained, the deposit will be forfeited.
12. If it be ascertained that any exhibitor has, in an ungentlemanly manner, taken exception to the judgement or ruling of a judge, employee or any official of the Weber County Fair, the Board can bar the said person from competing for a premium or exhibiting on the grounds until he has made proper apology and is reinstated by the Board.
